WHAT TO SINK YOUR TEETH INTO WHEN YOU'RE HUNGRY AND YOU'RE NOT A WEREWOLF.

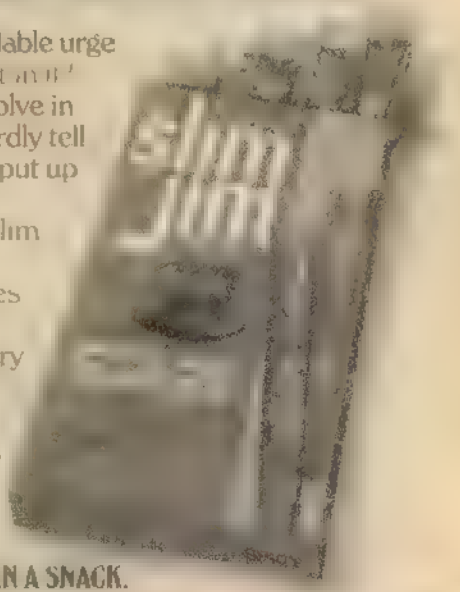
...y now and then, do you get this uncontrollable urge
...ing that's really got some meat in it?

Are you tired of sugar-sweet snacks that dissolve in your mouth, and crunchy snacks that you can't hardly tell you ate and all the other boring stuff you have to put up with, every day?

Well, take heart. And, while you're at it, take Slim Jim® along in your pocket.

Slim Jim is a chewy, all-meat snack that comes in five very un-boring flavors. Mild, spicy, salami, bacon, and pizza. And you can find it at the grocery store. Or at a lot of the places where you've been getting those sissy snacks.

You might want to carry a few extra ones, too. Then, if you meet a werewolf, you can give him something to sink his teeth into instead of you.



A LITTLE LESS THAN A MEAL. A LITTLE MORE THAN A SNACK.

[illegible] OF LAMPLIN HARDS, LAUDABLE LAGNAPPES AND LEARNED LEGENDS LONG-LAPSED INTO LOONINESS!

STAN LEE'S SOAPBOX

Wow! This is strictly a dynamite month for fans and pros alike! This is when the most eagerly-awaited comic-book sensation of the year goes on sale! It's the giant-sized, mind-boggling team-up of **Spider-Man and Superman!** Wait'll you see them meet! Wait'll you see them battle! Wait'll you see the stupefy ng surprises in the ultimate superhero adventure of '78! And if you think that's gonna be a battle, wait'll you see Marvel and DC when we start figuring how to divvy up the royalties! But that's only the beginning! This is also the momentous month in which big-hearted Marvel unleashes its very first issues of **Marvel Classic Comics**— featuring the greatest titles in all of literature presented in illustrated form— just because we love ya! And hey, have you heard the nuttiest caper of the season? Some joker decided to produce a t-shirt featuring (no kidding!) me! He claimed there are t-shirts with everyth ng from sharks' bicuspids to Woody Allen's tonsils, so why not set the whole industry back a few centuries by selling a shirt with my own almost-human features blushingly displayed! If nothing else, it might always help to stop some runaway clocks! Well, here's the payoff— we did it as a gag— and they're selling like crazy! So congratulations, America— you're still turned-on to heavy culture! And, speaking of culture, did you hear about Big John Buscema teaching a course in "How to Draw for Comic books"? I sat in on one of his classes recently and I can tell you that ol' J B teaches as well as he draws! For more info about his classes, you can reach him at: Box 394 East Setauket, N Y 11733 (If that doesn't get me an autographed drawing, I won't bring in my homework next week!) And for more info about the mixed up world of Marvel, tune in again next month, same place, same hysteria! Till then, I hope you haven't forgotten— Ex nihilo nihil fit!

ITEM! We don't exactly wanna shout out the news, but if you promise to keep it to yourself, and not say a word to anybody, the ever-lovin' House Of Ideas has just given a Christmas present to all you Faithful Ones! Namely, beginning with the [illegible] month or three, our my DOCTOR STRANGE, our Hero-For-Hire, LUKE CAGE POWER MAN; and everyone's favorite Benjamin J. Grimm (featured in MARVEL-TWO-IN-ONE!) will be comin' at you each and every month! Yeah, you heard right, Wild One! We've just promoted three more super-stars to a twelve-times-a-year status! So, rush down to your newsstands right away and reserve your copies now! You know how fast our munificent mags disappear from the racks.

ITEM! And, while you're looking through the galavantin' goodies we're always tossin' at you, you've probably seen the Mighty Marvel Value Stamps sensational second series that have been appearing these past weeks. Okay then, if you'd like to cut out those sultry stamps and place them in the absolutely new, specially-designed-for-you, stamp book (which is also redeemable for a gigantic grab-bag of goodies), now's the time to take advantage of our omnipresent offer. For just a mere half buck (that's 50¢ to all you Asgardians), we can wing our 16-page book-et-bonanza to you, featuring room for all your prize-winning stamps, and a special secret super-stamp of a shocking Marvel star! If you don't want to be left out in the [illegible] hands, send your check or money order to: MARVEL STAMP-BOOK, SUPERHERO MERCHANDISE, PO BOX 777, DOVER, NEW JERSEY 07801.

ITEM! Wonder where the super-heroes have gone, lately? Well, if you're lookin' for something new, something different, something just a wee bit extra-special, take a gander at The Man Called NOVA—a brand new action-packed superhero from the titan-tally-talented typewriter of Marvelous MARV WOLFMAN, and the pulsating pencil-power of Big JOHN BUSCEMA. We don't wanna say too much about the most spectacular new superhero ever, but we think you'll dig him when he finally does appear. As for when, even we're not sure if we'll start right off with a special-appearance in MARVEL PREMIERE or go right ahead with his own magnificent mag. Either way, keep an eye peeled to these Bullpen pages. We think you'll kinda be glad you did.

ITEM! They say that old soldiers never die, they just fade away! But it seems that Nick Fury, one-time Sergeant of the Howling Commandos, and now fighting director of SHIELD, not only doesn't fade [illegible], but he doesn't get older either. Well, if that doesn't make sense, it's just our sneaky way of tellin' you that Jumpin' JIM STARLIN and Howling HOWIE CHAYKIN have gotten together to work on an issue of MARVEL SPOTLIGHT givin' you fearless front-facers the inside info on why fightin' Fury looks younger now than he did back in the big war! You won't want to miss this one, True Believers! And, while we're filling you in on some Spotlight plans, lively LEN WEIN and Big JOHN BUSCEMA have a wild WARRIORS THREE issue planned, featuring Grim Hogun, Dashing Fandral, and Voluminous Volstagg! Also, Rascally ROY THOMAS, and Garrulous GIL KANE are putting their unique artistry to work bringing you THE WILD BOY, an adaptation of Rudyard [illegible]ing's JUNGLE BOOK stories! You won't want to miss that one!

ITEM! Now, listen closely, and pay attention to this, Faithful One, 'cause your over-worked, under-staffed Bullpen is being deluged with stories and art by each and every one of you, and, strive though we will, when we finish off one stack of stories, two more take its place. So, if you wanna send stories and art to us, please realize that it may take awhile for us to get to your work. Or, better yet, send your art to the FOOM art-contest, and maybe you'll be one of the lucky ones who gets to see his or her work printed.

ITEM! And, speaking of FOOM, right on the tail of our Jocular JACK KIRBY ish, we present a special VISION ISSUE, featuring everything you would want to know about your favorite android, and more! If you've never been a full-fledged FOOMer before, we kinda think you're missing something. And, if you've been a lucky member in the past, wait 'til you see some of the startling changes that we're adding to make comicdom's greatest fan-club even greater. Fill out the cuddly coupon elsewhere in this ish, and send it in right away! You won't be sorry!

ITEM! Retraction time, sorta, Dept.: remember when we said we'd be serving a cherubic Marvel Checklist to you **twice** each month? Well, we've **doubled** that bonus for you lucky ones out there, and from now on, every single week, we'll be updating the checklist just for you! Who says Marvel doesn't have a heart of gold? Or would ja believe— uh—"

The secret of teaching yourself music

Why keep depriving yourself of the thrill of making your own music?

Here's a pleasant way to learn at home in spare time. You play simple familiar tunes right from the start, then more advanced compositions.

Choose piano, guitar or spinet organ.

No gimmicks—you learn to read notes, play regular sheet music.

It really works! Thousands now play who never could.

It may seem odd at first – the idea of teaching yourself music. You might think you need a private teacher at $4 to $10 per hour to stand beside you and explain everything you should do – and to tell you when you've made a mistake.

But surprising as it seems, you need no such thing. Thousands of people just like you have taught themselves to play by using the lessons we give by mail. And you can too.

With our lessons, you learn to play the right way – by note from regular sheet music. Without any gadgetry or gimmickry. And all it costs you is just pennies a day.

You don't need any previous musical training. Our lessons start you off "from scratch" with clear word-and-picture instructions. A lot of the songs you practice first are simple tunes you've heard many times. And since you already know how these tunes are supposed to sound, you can tell immediately when you've "got them right."

Then you go on to more advanced pieces. By this time you can tell if your notes and timing are right, even without ever having heard the songs before. Sooner than you might think possible, you'll be able to play whatever kind of music you like. Folk. Popular. Classical. Show and dance tunes. Hymns.

You learn in your spare time, in the privacy and comfort of your own home. There's no one standing over you to make you nervous. And because you teach yourself, you can set your own pace. You're free to spend as much time mastering any lesson as you wish.

It's really a marvelous way to learn. In fact, graduate Mrs. Norman Johanson wrote us, "My daughter has taken lessons for 8 years from a private teacher, and now she asks *me* questions about some of her lessons. How very proud I feel when she says to friends, 'You've just got to hear my Mom play!' "

Others also enjoy her playing, Mrs. Johanson reports. She plays for herself to relax after a trying day, and for her husband when he's tired. She also plays for friends when she goes to parties. "In a sentence," she says, "it's the most soul-satisfying thing that has ever happened to me."

If you've ever dreamed of being able to play the piano, the guitar, or the spinet organ, why not learn more about our convenient, economical way to learn? Send for our free booklet *Be Your Own Music Teacher*. With it we'll include a free "Note-Finder." There's no obligation. Just mail the coupon to the U.S. SCHOOL OF MUSIC, A Home Study School Since 1898, 417 South Dearborn Street, Chicago, Illinois 60605.
